THE CERTIFICATE IN INFORMATION AND COMMUNICATION TECHNOLOGY (EXTENSION)

Introduction

Computer Centre intends to conduct a Certificate course and an Advanced Certificate course in ICT for External Students. The principal target group is those in the public and private sectors and the school leavers, who aspire to have an organised knowledge of ICT. The main objective of this intended programme is to provide a solid foundation in necessary ICT skills to enhance the mastery of ICT learning activities. Further, the Advanced Certificate course of study will serve as a foundation programme for the Diploma in ICT (Extension) course and any other advanced courses that the Computer Centre may offer in future.

The course is conducted by the most qualified teachers in the area. A limited number of students will be registered for the course. The Certificate course will be equivalent to NVQ Level 3.

Entry Requirements

Minimum Qualifications:

At least 06 subjects in G.C.E. (O/L) with Sinhala/ Tamil, and any one of the subjects, Mathematics, Information Communication Technology, Business and Accounting Studies, and Design, Electrical and Electronics Technology

or
a pass at the G.I.T. examination
or
